

In the Name of GOD

1

Fatemeh Malek M.D.

Mofid children's Hospital
Assistant Professor of Pediatric Hematology and Oncology
Shahid Beheshti University of Medical Sciences

GENERAL INFORMATION

Surname Malek

Forename Fatemeh

Place of birth Tehran, Iran

**Iranian medical council
registration No.** 99576

Home address No.76,Zinalizadeh Sharghi st, Northern Sohrevardi st
Tehran, Iran
PC:1568644413
Tel: +98 -21 -88405665

Professional address Shahid Beheshti University of Medical Sciences
Mofid Children's Hospital ,Shariati st,Tehran,Iran
Tel: +98 21 22227021

E-mail: fmalek7721@gmail.com
fmalek@sbmu.ac.ir

EDUCATION AND TRAINING

- Doctorate in medicine, Tehran Pezeshki Azad University of Medical Sciences, Iran, 1375-1383
- Pediatric Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran 1385-1388
- Pediatric hematology and oncology, Mofid Children's Hospital, Shahid Beheshti University of Medical Sciences, Tehran- Iran 1391-1394

THESIS

- A Prospective crossover triple blind controlled trial on the safety and efficacy of Iranian recombinant factor VIII vs plasma derived factor VIII
- ITP and relevant factors in Mofid children's Hospital from 2003 to 2008
 - Intraabdominal and retroabdominal masses in Mofid children's Hospital from 1997-2003

PRACTICAL EXPERIENCE IN MEDICINE

- Hemostasis & Thrombosis
- Pediatric Hematology & Oncology
Thalassemia

ACADEMIC APPOINTMENTS

- Assistant Professor of hematology and oncology, Mofid Children's Hospital, Tehran, Iran 2017 to present

PROFESSIONAL SOCIETIES

- International Society Of Thrombosis and Hemostasis (ISTH) 2016-present
- Iranian Pediatric Hematology and Oncology Society, 2013-present
- Iranian Society Of Thrombosis and Hemostasis 2016 -present

COMMTTEES

- EU in Iranian Journal of child neurology
- Member of Teaching Method Committee of EDU of Shahid Beheshti university of medical sciences since Aban 1396 to Aban 1397

3

ADMINISTRATIVE POSITIONS

- Mentor of interns of Mofid children's Hospital of Shahid Beheshti University of Medical Sciences
 - Perceptor of staggers of Mofid children's Hospital of Shahid Beheshti University of Medical Sciences
 - Head of Educional **accreditation** team of Mofid children's Hospital of Shahid Beheshti University of Medical Sciences
 - Scientific interface of fellowship program of Mofid children's Hospital of Shahid Beheshti University of Medical Sciences
 - Member of educational team of Mofid children's Hospital of Shahid Beheshti University of Medical Sciences

CLINICAL RESEARCH

- Co Investigator of **Effectiveness of platelet-rich plasma in the treatment of Hemophilic arthropathy**
- Co Investigator of Evaluation of braf mutation in LCH patients
- Principal investigator, Efficacy and safety of Aprepitant in prevention of chemotrathy induced nausea and vomitng in oncologic patients of mofid children's hospital
- Principal investigator Investigating the incidence of anemia its association with schawmann Crieteria of children with cystic fibrosis
- Co investigator , platelet recovery patients with Immunologic Thrombocytopenic purpura after Eradication of helicobacter pylori
- Principal investigator, Efficacy and safety of Ketamine mouthwash in treatment of chemotrathy severe mucositis in oncologic patients more than 7 years old of mofid children's hospital

- Co investigator in efficacy and safety of Recombinant Iranian factor VIII versus plasma derived

RESEARCH ACTIVITY

- Bleeding disorders
- Oncology

4

WORKSHOPS & SEMINARS

- ECTH 2018 ,Marsille France
2 poster presentation
Massive Spontaneous Haemothorax in a Hemophilic Child : A rare case report
Successful management of delivery in rare bleeding disorder patients : An 11 year experience Poster 137
- ECTH 2016, Amsterdam Netherland
Poster presentation Establishment of a premarital diagnosis schedule as part of a prophylaxis program of factor XIII deficiency in the sistan and baluchestan province
- Histiocytosis Updates Meeting Date: 23-24 Nov. 2018 (2 days) Kish Island as speaker and participant
- Sickle Cell anemia Qheshm Island 2017 as Participant
- International Neonatal Hematology as participant Tehran2016
- Certificate of completion clear & successful scientific writing 2016 held by NIMAD
- Challenges in Pediatric Hematology & Oncology Mahak Hospital As Speaker
- Certificate of attendance in educational meeting for doctors and specialists for hemophilia 2014
- Certificate of attendance in international course on pharmacovigilance TB/HIV and pediatric TB as Trainer 2106
- Certificate of attendance in evidence based medicine workshop for doctors 2016
- Workshop on GOOD CLINICAL PRACTICE held by Aryogen 2013

- Scientific Workshop on "How to break bad news " held by Tehran University of Medical Sciences. Apr 2002
- Certificate for successful completion of workshop on "Publishing medical books " was held at with collaboration of USERN and Tehran University of medical sciences, Dec 2018 Tehran-Iran
- Workshop on "Febrile Convulsions "held by Shahid Beheshti University of medical sciences, May 2007
- Workshop on "Breast feeding & breast milk" held by shahid beheshti University of Medical Sciences. 1999
- Workshop on "Neonatal Resuscitation" held byshahid beheshti University of Medical Sciences. Apr 1999
- Certificate for successful completion of workshop on" Ethic in medical sciences " held by shahid beheshti University of Medical Sciences2018
